## SECULAR DISCOURSE ON SIN IN THE ANTHROPOCENE: WHAT'S WRONG WITH THE WORLD?

By Ernst M. Conradie

### ABOUT THIS BOOK

This book addresses the questions of what contributions Christian sin-talk can make toward an adequate, interdisciplinary diagnosis of the surface-level symptoms and underlying causes of ecological damage. The author offers a perspective from the global South by employing a conceptual toolkit derived from the theological critique of apartheid.

### ABOUT THE AUTHOR

**Ernst M. Conradie** is senior professor in the Department of Religion and Theology at University of the Western Cape

### TABLE OF CONTENTS

|                                                                   |
|-------------------------------------------------------------------|
| Acknowledgments                                                   |
| Introduction                                                      |
| Chapter 1: A Role for Social Diagnostics?                         |
| Chapter 2: A Theological Contribution?                            |
